Dear Friend and Sponsor,

We would like to invite you to participate in a unique marketing opportunity as a sponsor of 'A Salute to our Armed Forces' banquet and live auction hosted by Freedom Hills Therapeutic Riding Program, Inc.; a 501(c)3 organization. Our goal is to offer therapeutic horseback riding for persons with physical, mental and emotional challenges in the Tri-state area of Maryland, Delaware and Pennsylvania.

The work we do is vital to our community. We served hundreds of people in 2009. Some of our groups included veterans through our local Perry Point VA Hospital and also kids at risk through the county's High Roads School. One out of five Americans suffer from a disability and therapeutic riding is considered one of the best forms of therapy. The benefits reaped by our riders are numerous! A horse's gait is very close to that of a human. The rider's body moves with the animal as if the rider were walking with their own legs thus improving balance, muscle tone, flexibility, posture, cardiovascular system function, brain function, motor planning, stamina and emotional well being. Those are just a few of the benefits leading to a sense of control over one's own body. We bring skills and empowerment to many individuals. We do not turn anyone away due to financial difficulties.

Sponsorship is equally rewarding for you. Please see our enclosed Sponsorship Program letter for the details.

We believe your organization is the type which will benefit from the visibility this annual event promises to generate. We appreciate the opportunity to promote your organization.

Thank you in advance for your kind consideration and for opening your heart to support Freedom Hills Therapeutic Riding Program. More information on the Banquet/Auction and other exciting events is available at www.freedomhills.org.

Sincerely,

Renee Sherrard-Luther
