Dreams Do Come True With Horses. A few months ago, a young lady, Avalon, called me about riding. As we talked, I found out she has a very serious health issue which has left her in a wheelchair.

Coming to Freedom Hills TRP gives Avalon the chance to leave her wheelchair behind and enjoy the wonderful freedom she receives when sitting on top of Rocko, one of our amazing steeds. Rocko takes Avalon places she could only dream of while in her wheelchair. Avalon and I have very meaningful talks as Rocko gently carries her through the woods.

Dreams do come true with horses. We are asking you to help more dreams come true by partnering with the Freedom Hills TRP so we can continue to offer this unique opportunity to many more people who happen to have disabilities as well as Military Veterans and “Kids at Risk”

We look forward to hearing from you,

Sincerely

Renee S. Dixon
